Interests

Art & Design

- Launched madeinvic.ca with a community art project; handing out 100 film cameras for the public to interpret and photograph what "made in Victoria" means to them. Currently in production. www.madeinvic.ca
- Completed 176 page highschool yearbook almost single handedly, putting in over 1000 hours. Winning the Lifetouch award for effort.
- Worked part time for Saskatchewan Construction Association as presentation Consultant.

Sports

- Level 2 Ski Instructor Certification, I've been skiing since I was 3 years old, life long passion
- Enjoy outdoor activity, hiking, camping, biking, water skiing, downhill skiing, and biking.
